Accommodation

Azura Benquerria Island

Imagine an unspoilt island within a Marine National Park, deserted beaches of pure white sand that extend for miles, sparkling turquoise seas criss-crossed by local dhows plying their trade, sunny days and star-studded nights. **This is the enchanting island escape you always imagined.**

Nestled amid indigenous trees and shrubs, Azura is the area's first boutique eco-retreat in Mozambique. Built entirely by hand in partnership with the local community, it is designed for the ultimate getaway.

Just 20 villas sit along one of the last undiscovered stretches of beach in the world. All of the secluded villas are decorated in soothing tones and feature a sea-facing infinity pool.

Experience the island as it is meant to be, always at its very best. Relax in style with sparkling private pools, an African spa, and Mozambican butler and hosts to look after your every need.

Days are filled with a choice of activities and local guides who share their knowledge and passion for the pristine environment. You are invited to experience local island life how and when you want.

The dive center provides access to snorkel and dive trips, including night dives in some of the world's most pristine reefs. Go fishing, horseback ride or arrange a guide to take you to a local community.

Experience fine dining and outstanding service in the main restaurant where meals are prepared by an internationally accomplished chef, using the freshest Mozambican ingredients, or enjoy a starry candlelit dinner on the beach while sipping a carefully selected wine.

Azura Benguerra Island is paradise found.
